TRAIL SAFETY AND COURTESY

Please stay to the right and walk single file, especially when approaching others.

Keep 6 feet apart in every direction from other trail users and wear a mask.

When passing others on your bike, slow down and pass on their left, and ring your bell or say "to your left".

Stay home if you are even slightly sick.

Keep your dog on a leash at all times.

Carry in, carry out - take trash with you, including dog poop.
